**CONGRESS AT-A-GLANCE**

**JUNE 17-20, 2019 • BOSTON, MA • SEAPORT WORLD TRADE CENTER**

### June 17
- **Short Courses**
- **Extracellular Vesicles Symposium**

### June 18-19
- **ONCOLOGY AND IMMUNO-ONCOLOGY**
  - Preclinical Strategies, Models & Tools in Oncology
  - 3D Cellular Models
- **DISEASE MODELING**
- **DRUG METABOLISM AND TOXICITY**
  - Optimizing Drug Metabolism & Pharmacokinetics
- **SCREENING AND TARGET ID**
  - Target Identification & Phenotypic Screening
- **CNS**
  - CNS Targets and Translational Strategies

### June 19-20
- **Short Courses**
- **iPS Cells for Disease Modeling and Drug Discovery**
- **Predicting Drug Toxicity**
- **Chemical Biology and Target Validation**
- **Blood-Brain Barrier**
- **Introduction to Small Molecule Drug Discovery and Development**
- **Practical Introduction to PKPD Modeling in Drug Discovery and Development**

---

Training Seminars to be announced.
Some Congresses have shared conference sessions; conference hopping is encouraged.
Separate registration required for Short Courses.
